A photograph of a wooden playhouse with a black shingled roof, situated on a green lawn. The playhouse is made of dark-stained wood and has a curved roof. In the background, there is a dark wooden fence and several trees under a blue sky with light clouds.

**CUSTOMIZABLE
TO YOUR NEEDS**

Every sauna can be customized to suit your needs with a variety of unique features and accessories. You can now opt for glass or mirror glass for the front and back walls. Simply select your preferred option in the configurator.

Front Wall Options

Glass Wall with Glass Door

A sleek, fully transparent glass wall with a matching door, providing a modern look while letting natural light in.

Mirror Glass Wall with Mirror Glass Door

This option offers privacy with semi-transparent mirror technology. From the inside, you can enjoy the view, while the outside remains mirrored, offering both style and seclusion.

Back Wall Options

Panoramic Window

A large, transparent window on the back wall, offering an expansive view of the surroundings, ideal for enjoying the outdoors while relaxing.

Panoramic Window with Mirror Glass

This option provides the same panoramic view from inside, while maintaining privacy with semi-transparent mirror technology. From the outside, the glass appears as a mirror, while from the inside, it offers a clear view of the surroundings.

Half-Panoramic Window

A partial window that balances privacy and the ability to enjoy the scenic beauty outside.

Half-Panoramic Window with Mirror Glass

A partial window with semi-transparent mirror glass, offering privacy on the outside while allowing a clear view from the inside.
